Dear Parul,

At the outset let me thank you and ICE for coordinating and efficiently managing the International Rice Symposium 2015 at PJTSAU Hyderabad from 18th-20th November 2015. The conference was a grand success, more than meeting the expectations. The compliments that are being paid are a testimony to that.

It is my pleasure to personally convey my sincere thanks and appreciation to yourself and Mr. Raanu Malhotra who put in untiring efforts to enable seamless conduct of the conference. I would like to record my appreciation to the team members from ICE for their excellent execution on the floor, taking care of all the delegates and ensuring that the minutest of details are addressed and executed.

I once again thank you and the entire team and look forward to work with you in Future.

Regards,

Dr. V Ravindra Babu
